

Classroom Clinician - Esther B. Clark School 80% FTE (32 hours/week)

At Children's Health Council (CHC), we've been helping children and families for 60 years. Our Center, two schools and a Community Clinic, serve families in the Silicon Valley as well as the greater San Francisco Bay Area. Our areas of expertise include learning differences, anxiety and depression, ADHD and Autism. We also provide excellent parent education services and parent consultations.

At CHC, we uncover a world of promise and potential in every child. Using a personalized approach, we help your children become happier, more resilient and more successful. Our employees are encouraged to bring their ideas, experiences and perspectives, gleaned from their varied backgrounds, to the workplace. We strive to create an environment in which all employees can contribute to their fullest potential to make an impact in the lives of the children we help.

Agency Mission:

Children's Health Council removes barriers to learning, helping children become resilient, happy and successful at home, at school and in life.

Job Summary:

The Educational Specialist is responsible for providing intensive instructional services for EBC students, and when requested, for conducting educational evaluations for children, interpreting and integrating testing data and school based information and developing recommendations.

Essential Duties:

Intensive Instruction

- Provide intensive instructional services for students as designated on the IEP or as contracted with parents (may include language arts, math or organizational skills remediation for individual students).
- Communicate regularly with parents, team and districts to ensure adequate dissemination of student's progress and challenges.
- Collaborate with cross-disciplinary professionals to ensure consistent implementation of student's treatment plan.
- Participate in parent/student/team conferences and IEP meetings to directly communicate progress, accomplishments and challenges, and to recommend further interventions and accommodations.

Testing

- Select, administer, score and interpret educational assessment instruments needed to appropriately document presenting educational issues.
- Communicate and Collaborate with student's team to develop needed accommodations and instructional modifications.
- Participate in triennial IEP's to communicate assessment results and articulate recommended interventions and accommodations.

Esther B. Clark School

at Children's Health Council

- Participate in outreach, care consultation program, parent education, group treatment and professional development as requested by supervisor.

Other Functions

- Consult with student team's instructional staff to ensure consistent implementation of needed accommodations and or modifications.
- Perform other related duties as assigned or requested.

Knowledge/Skills/Ability:

- Strong understanding of current remedial best practices in reading, writing and math.
- Ability and desire to work as part of professional interdisciplinary team.
- Excellent time management and organizational skills.
- Possess excellent interpersonal and written communication skills that reflect sensitivity and professionalism.
- Knowledge and facility with educational assessment measures and ability to explain results and implications clearly.
- Knowledge of and ability to use computers.

Education/Training:

- Master's degree or higher in relevant field (will consider if enrolled in a graduate program with a projected date of completion). Three years post master's degree and professional experience preferred.
- At least three years of experience as practitioner in relevant clinical or school setting.

Physical Requirements:

An employee in this position may be required to occasionally lift, move and/or set-up stacks of documents such as training binders or other training materials, lap-top computers, in-focus projectors, flip charts and other materials required for training sessions. Employee will also be required to work for extended periods of time at a computer.

To apply, please email your cover letter and resume/CV to jobs@chconline.org in PDF format and reference "Ed Specialist at EBC" in the subject line.

Children's Health Council (CHC) supports workforce diversity. We are an Equal Opportunity Employer and believe in treating each employee and applicant for employment fairly and with dignity. We will provide employment opportunities without regard to race, religion, color, creed, national origin, gender, orientation, age, disability, medical condition, marital status, veterans' status or any other classification protected by employment discrimination laws. When necessary, CHC also makes reasonable accommodations for employees with disabilities in accordance with individual needs, business realities and applicable laws.
