

CONTINUING EDUCATION

Professional Education at Children's Health Council

CHC offers continuing education courses taught on site by top professionals each year. Classes are accredited by the California Board of Behavioral Sciences and the American Psychological Association and are led by licensed professionals. Continuing education credits are offered for MFTs, LCSWs and psychologists. Depending on the topic, classes can be a full day or half day. Full day classes include lunch. Fees: \$150 for full day, \$75 for half days. For more information and to register: chcprofdev.eventbrite.com or 650.617.3853.
