

School Accountability Report Card Reported Using Data from the 2019–2020 School Year

California Department of Education

For Esther B. Clark School-Palo Alto

Address: 650 Clark Way, Palo Alto, CA 94304 **Phone:** 650-388-3632
Principal: Jody Miller **Grade Span:** K-10

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020–2021)

Narrative provided by the LEA

Esther B. Clark Schools are California Certified Non-Public Schools serving:
 The target population at EBC is public school students in grades K-10 who have a primary special education eligibility of Emotionally Disturbed (ED), Other Health Impaired (OHI), Specific Learning Disability (SLD), or an Autism Spectrum Disorder (AUT) and have not been able to derive educational benefit from their previous school setting. All students are referred from their school district and EBC is currently working with close to 60 school districts across five counties. These students are at risk for being placed out of the home due to the severity of their social or emotional challenges. Some students have become chronically truant, refusing to go to school, while others are unable to manage themselves in the classroom or playground. Many of the students are suffering from anxiety, depression or other emotional or mood dysregulation disorders that have blocked their capacity to learn and/or maintain friendships.
Mission: To transform young lives by providing best-in-class learning and mental health services to families—regardless of language, location or ability to pay.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven.

Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students

Mathematics (grades 3-8 and 11)	DPC	N/A	DPC	N/A	DPC	N/A

EBC School does not receive the results of the CAASPP test results directly. These are sent to each student’s referring district (LEA).

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Parents are required to participate in all aspects of the Esther B. Clark School program including attending IEP's, weekly family therapy, and meeting with their child's behavior specialist on a daily basis through a "take home" behavior plan (PBT). Failure to participate could result in a termination of the child from the program. Additionally, EBC School offers bi-monthly parent support groups and parent training opportunities facilitated by the school's therapeutic program.

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)**Narrative provided by the LEA**

CHC’s Facilities Department develops and maintains the school safety plan. This includes a fire, earthquake, and intruder procedure and practice components. There is annual training for of the intrude drill on an annual basis, typically in the Spring. EBC School also practices for an intruder once in the Fall. Fire drills are conducted on a monthly basis and the school participates in the California Great Shakeout drill once per year.
